*Tally*  
**DASCOM**

The Tally Dascom 2610 is a highly featured, reliable and stylish machine. Performance and workload, ergonomics, maintainability, excellent price – everything has been incorporated to ensure it is the only acceptable choice for the customer.

Continuous and cut forms are fed at the front for quick and easy loading. This ensures a straight path for the forms resulting in reliable paper transportation, even on 6-part stock. Loading paper is easier. The operator does not have to fumble over or around the printer to gain access to rear located tractors.

### Highlights at a glance:

- Print speeds up to 680 cps
- 20,000 pages per month workload
- 256 KBytes buffer
- 24 pin print head produces excellent print quality
- Straight through paper path
- Ethernet, parallel and USB interfaces standard
- 12 million characters long life ribbon

User intervention is kept to a minimum with a suite of features designed to ensure the products run at optimum reliability and performance.

The product is at home in the computer room, data processing room, or in the office. An unobtrusive 55 dBA acoustic rating results in a printer, which is half as quiet, compared with many competitive models.
