

We've designed SketchUp Pro to help professional designers get the most out of our platform. Take advantage of Pro-only features with a free, 30-day trial. **Free SketchUp apps are not licensed for commercial use.**

	SketchUp Make	SketchUp Free	SketchUp Pro
<b>Price:</b>	Free	Free	P42,000
<b>License:</b>	Personal	Personal	Commercial
<b>Support</b>			
Email and Phone support	x	x	✓
Online Support materials, plus video tutorials and forums	✓	✓	✓
<b>3D Modeling</b>			
SketchUp's core 3D drawing tools	✓	✓	✓
Access to 3rd party modeling extensions	✓	x	✓
Solid Modeling: Union, intersect, subtract, split and trim volumes	x	✓	✓
<b>Documentation &amp; Presentation</b>			
Dimension and annotate scaled SketchUp models	x	✓	✓ (LayOut)
2D vector drawing tools and title block templates	x	x	✓ (LayOut)
Create large-format, multi-page design documents	x	x	✓ (LayOut)
Embed 'linked' SketchUp files with real-time syncing	x	x	✓ (LayOut)
Present SketchUp models in live, full-screen presentations	x	x	✓ (LayOut)
Create scene-based animations for fly-through presentations	✓	✓	✓
<b>BIM Tools</b>			
Create data-rich BIM components	x	x	✓
Tag geometry with industry-standard object types/classifications	x	x	✓
IFC export/import incl. 3D geometry and metadata	x	x	✓
Generate model reports and takeoffs	x	x	✓
<b>Exporting and importing</b>			
Export of STL for 3D Printing	x	✓	✓
Import/Export of 3D and BIM data files (See: <a href="http://goo.gl/GSA9kT">goo.gl/GSA9kT</a> )	✓	x	✓
Import/Export of 2D files (Images/PDF/CAD) (See: <a href="http://goo.gl/GSA9kT">goo.gl/GSA9kT</a> )	x	x	✓
<b>Printing</b>			
Print multi-page documents on any sheet size	x	x	✓ (LayOut)
Print single-page views of your SketchUp model window	✓	x	✓
<b>Visualization</b>			
Generate high-quality, vector and hybrid rendered images	x	x	✓ (LayOut)
Advanced camera tools for planning camera placement	x	x	✓
Create custom edge treatments for styles	x	x	✓ (Style Builder)
Create, edit, and share styles	✓	x	✓
<b>Integrations</b>			
Trimble Connect - Cloud-based storage and collaboration	x	✓	✓
3D Warehouse - Import/export components	✓	✓	✓
Geolocation - Import aerial photos and terrain data	✓	x	✓
