

**ADDASOUND**

SOUND CHANGING THE WORLD

## *Epic 501/502*

Stylish and Multifunctional UC headset for UC Platforms

### **ADDASOUND**

Professionals may want a stylish and multi-functional headset solution to connect multiple devices such as mobile phone, tablet or PC for multitasking and collaboration. ADDASOUND EPIC 501/502 headsets are engineered for this demand. You can make calls or enjoy the music/multimedia from your PC, mobile phone or tablet via USB or 3.5mm jack connectivity. The elegant and economical design of this headset offers you comfort for daily use. Busy light indication allows you to concentrate on the work without disturbance. Epic 502 has stereo sound for richer audio quality. Epic series headsets enable users to be hands free for a more productive work day.

Epic 501

## Our Vision

- **Leading Technology**  
Advanced Noise Cancelling Technology guarantees high performance sound quality and the best user experience
- **Simple Design**  
Nordic style perfectly combines outer simplicity and inner excellence
- **Delicate Details**  
From products to service, we look deep into every detail to meet your every need
